Re: Boucher for Congress
FEC ID#: C00178418

Dear Ms. Tyndle:

I am writing to report several items. First, I am filing an Amendment to the Boucher for Congress Committee's 12-Day Pre-election Report for the General Election which was filed with the Federal Election Commission on October 21, 1996. In that report, the complete employer and occupation information for six contributors did not appear on Page 2 of 3 and Page 3 of 3 for Line Number 11 a(i) (R. Boswell, J. Clough, R. Thompson, J. Tate, M. Anselmo and M. Hill). To correct this oversight, I am submitting those corrected pages along with the FEC Form 3 Summary page noting that this is an Amendment.

Secondly, since filing the Committee's October 15 Quarterly Report, I have received the employer and occupation for one individual for whom that information was not available, Mr. Martin Machowsky [Page 14 of 15 for Line Number 11a(i)]. To update the Committee's Report, I am enclosing a corrected Page along with the FEC Form 3 Summary page noting that this is an Amendment.

Lastly, in my eagerness to file the Committee's 48 Hour Notice of Contributions/Loans Received on October 22, 1996, I incorrectly listed a \$4500 contribution from AICPA Effective Legislation Committee. The reason that it should not have been reported is because the check was returned to the AICPA Committee at their request. The check would have caused the AICPA to exceed its allowable contribution limit when considered in combination with a previous contribution received earlier in the General election cycle. Since the check was never actually deposited, it should not have been reported. To correct this matter, I am enclosing a corrected 48 Hour notice for October 22, 1996.
